

The Yorkshire and Humber STEM Hub is thrilled to announce the return of STEMFest this June 2025! This 3-day event will feature interactive STEM-themed zones for over 3,000 schoolchildren aged 10-13 years from the Yorkshire region to immerse themselves in the exciting world of STEM industries.

Event Overview

STEMFest events are crafted to provide hands-on, interactive experiences that introduce young people to various roles within STEM (science, technology, engineering, and mathematics) through engaging activities led by industry experts. The aim is to inspire the next generation of the STEM workforce.
