

The STEM Hub is thrilled to announce STEMFest is back for its third and final event of the year, in Sunderland! This 3-day event will feature interactive STEM-themed zones for over 3,000 schoolchildren aged 9-13 years from the North East region to immerse themselves in the exciting world of STEM industries.

Event Overview

STEMFest events are crafted to provide hands-on, interactive experiences that introduce young people to various roles within STEM (science, technology, engineering, and mathematics) through engaging activities led by industry experts. The aim is to inspire the next generation of the STEM workforce.

Event Details

Dates: 8th - 10th October 2024

Location: The Beacon of Light, Sunderland

Exhibitors: Around 50 companies showcasing the wonders of STEM

Schools: Around 3,000 schoolchildren attending

Zone themes: Space, Technology, E-Sports/ Sports, Energy, Manufacturing
